

European Master's Program in Computational Logic

More Information

For more information on the study program and the involved partner institutions consult

► www.computational-logic.org/european

where you can also find an application form.

Application

Please fill out the application form and send it together with the required documents to our office regular. Applications will be evaluated by the Course Examination Board, which consists of members from all participating institutions.

Applicants will be notified about their acceptance or rejection. If you have any further questions, visit our web page and feel free to contact us at any time.
