

## European Master Program in Computational Logic

### Supported by

- European Network of Excellence for Computational Logic (CoLogNET)
- Erasmus Mundus (EU)
- German Academic Exchange Service (DAAD)

**Double Degree** Between any two participating universities

**Start** Each winter term

**Duration** Two years

**Language** English

**Lecturers** Top international experts

**Scholarships** Available

**For more details see**  
[www.computational-logic.org](http://www.computational-logic.org)

### Participating Universities

- Libera Università di Bolzano, Italy
- Technische Universität Dresden, Germany
- Universidade Nova de Lisboa, Portugal
- Universidad Politécnica de Madrid, Spain
- Technische Universität Wien, Austria

*"Logic is everywhere ..."*

### Contact

**Prof. Steffen Hölldobler**
